

PEER SUPPORT SPACE FOR...

PARENTS & CARERS

This is a space for parents or carers of children who hear voices, see visions, or have other unusual sensory experiences or beliefs. It's a space to connect with other parents & carers whose children might be going through something similar.

We can reflect together on what it's like supporting our children and young people, what's felt helpful, what's felt challenging, and how supporting them has impacted us.

The spaces will be held from 6pm - 7.30pm on the third Tuesday of every month, including: **19th November & 17th December 2019**

21st January, 18th February and 17th March 2020

A member of the Voice Collective team will be present to facilitate the conversation so that it's a friendly, supportive space to be in.

The spaces will be held Voice Collective's base at:

**Mind in Camden, Barnes House,
9-15 Camden Road, London NW1 9LQ**

If your child is under 19, you're welcome no matter where you live.
