

PEER SUPPORT SPACE...

PARENTS AND CARERS

This is a space for parents or carers of children under 25 who hear voices, see visions, or have other unusual sensory experiences or beliefs.

It's a space to connect with other parents & carers whose children might be going through something similar.

We can reflect together on what it's like supporting our children and young people, what's felt helpful, what's felt challenging, and how supporting them has impacted us.

The spaces will be held the *last Monday of every month*
on Zoom 5-6pm UK time.

A member of the Voice Collective team will be present to facilitate the conversation so that it's a friendly, supportive space to be in.
